## A Note from Mr. Oliver

Dear Epiphany Families,

Unbelievably, June is upon us and with it we see the end of the school year in sight and we look forward to the remaining weeks ahead with our wonderful, hardworking students. It is very important that students remain focused on completing their work for the school year, including final assignments and projects. We are in the final stretch and there is still a lot of work to be done.

Our school is remarkable, our students are awesome and our families are the best! Before some of our students and families move on to new horizons, let's take this time to appreciate this special place that is Epiphany. We will soon be saying goodbye to our eighth grade class. Some have been here for two years, others for eleven. No matter where our middle school graduates begin their journey next school year, they will be well prepared and Shining Stars in our Epiphany family.

I especially want to thank the many parents who have been involved in the life of Epiphany Catholic School, whether it is helping in our lunchroom, assisting teachers with projects and events, or helping out with our fundraisers, large and small. Our school would not be the wonderful place it is today without your commitment and dedication. The gift of your time, talent and treasure is greatly appreciated!

Going in to the last two weeks of school, I am filled with mixed emotions. Epiphany Catholic School's community has touched my life and made me a better person and I feel blessed and honored. Thank you for allowing me to be part of your child's life for these four years. Although I am sad to leave, I am looking forward to whatever God has in store for me next! Over the next two weeks, I am hopeful that I will have a moment to speak with you and thank you personally.

## 20th Year Celebration

On June 10th, Epiphany will host a celebration to mark the end of our 20th year! Former families and alumni are invited to attend. However, many of former families have moved either within or outside of the area. Any help in contacting our families would be appreciated! To offer or receive more information, please email Ellie Johnston at [johnstone@epiphanycatholic.school.org](mailto:johnstone@epiphanycatholic.school.org).

## BOOK FEES, TUITION AND FACTS PAYMENTS

If you will be paying Book Fees and Tuition in the office for the upcoming school year, those payments are due no later than June 1. If payment is not received, you will need to pay through FACTS Tuition Management.

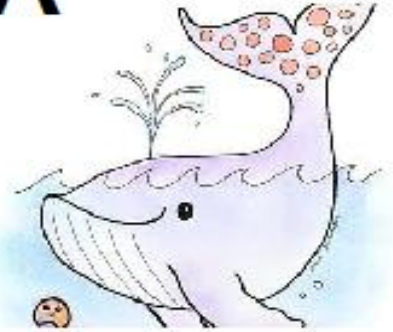

Also, we are in the process of activating FACTS accounts for the 2017/2018 school year. If you did not request otherwise, families will begin payment in June. Please be advised, also, that FACTS will take the \$38.00 Fee when the agreement is activated.
