

Parent Volunteer Opportunities

We need YOUR help! Each family is asked to serve the school by volunteering at least 20 hours of time each school year. There are so many opportunities available for your family to serve. Below are some of the ways you can assist. What are your talents or interests? How can you use your skills to better serve the Epiphany community? We welcome any ideas you may have for additional opportunities. Filling this form out does not commit you to serve at the event; it simply shares your interests. There are many ways to serve behind the scenes, too! The event coordinator will contact you with details so you can determine if that event is a good place for you to share and serve.
